

COLTON PARISH COUNCIL INVITES YOU TO ENTER A ...

# PHOTOGRAPH COMPETITION

Open to anyone who lives in Colton Parish (and who does not earn income from taking or selling photographs - at the discretion of the organisers)

Prize money of £100 has been donated (to be administered by Colton Parish Council).

Overall winner £40

Winner in each other class £20

Subject matter: the Parish Council is looking for photographs from various times of the year which illustrate our parish, in the following classes:

1. Hamlets and villages
2. Beautiful landscapes
3. Farming in action
4. People in Colton Parish

Entries must be in digital format and must have been taken relatively recently. Each entrant may enter only one photograph per class.

The competition will be judged by David Briggs ARPS

A selection of all photographs entered will be used by the Parish Council in two ways:

- (i) to illustrate the Colton Parish Council website ([www.coltonparishcouncil.org.uk](http://www.coltonparishcouncil.org.uk))
- (ii) as a basis for a 2011 Parish Calendar to raise money for local causes (as has been done so successfully at Satterthwaite - imitation being the sincerest form of flattery!).

Photographs will be credited to the entrant.

All entries (in digital format) must be submitted by 30<sup>th</sup> September 2010. They should be sent as an email attachment to [coltonpc@btinternet.com](mailto:coltonpc@btinternet.com) together with (a) the entrant's name and address (b) the class entered (no more than one entry per person per class).
